What is Mohican School in the Out-of-Doors?

Mohican School in the Out-of-Doors provides a resident outdoor environmental education program for students in grades 4 through 8. Schools may schedule sessions for two, three, four, or five days from September to June. Resident students spend most of their time at the Environmental Learning Center.

Schools may also bring students for a day trip to enrich their classroom study. Day trip students experience four to six hours of outdoor classes at the Hemlock Falls Outdoor Education Center.

The curriculum is tailored to enhance classroom learning and addresses Ohio Learning Standards and 21st Century Skills. Classes are taught using experience-centered, hands-on learning in the outdoor classroom.

Special Events are also a portion of the life of the school. Throughout the year there are many weddings, monthly public programs, church, youth group and scout rentals, day/resident camp as well as our annual fundraisers and membership drives.

There are so many ways you can help here at the Mohican Outdoor School

The volunteer team works in partnership with the Mohican Outdoor School staff in a supplemental position. Volunteers are a valuable asset to our mission and program and the teamwork can be a very rewarding experience for everyone. The students and staff and the participating schools and community will benefit from your commitment. Mohican Outdoor School shows their appreciation each year at our annual recognition dinner held in December

Thank you for your interest in becoming an important member of our team.
